STATEMENT OF THE SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Please enter the following statement of record of interview with regard to the above-referenced application. Applicant hereby provides the following information with respect to the telephonic interview of September 26, 2005 between Examiner Paladini and Applicant's representative, Avery Goldstein. The interview consisted of a discussion as to the nature of data exchange between a neutral format database and a graphics design platform requiring a unique data format. Applicant's representative agreed to emphasize database aspects that facilitate such an exchange. The Examiner agreed that a format neutral database exchanging data independent of translation with a graphics design platform overcomes the cited art of Virgil.

Independent claims 1, 8, 14 and 19 were discussed in the course of the interview.

Agreement was reached in the course of this interview.

Applicant believes the above summary is in compliance with 37 CFR 1.133. Entry of this summary is hereby requested.

Respectfully submitted,

Avery N. Goldstein
